

5/22/13

- Exp. w/ design of WTP upgrades
- Understand progression of goals to WTP for temp River use until KWA up
- Future KWA operational goals
- Dates of history of our work
- Fee structure.

- ✓ - Flint has already discussed w/ MDEQ - Priority of Steve Bush (his boss)
- ✓ Currently pump to Bray Road.
Want to be ready by July - just to operate WTP.
- ✓ - Could save ~\$10,000,000 by taking River water.
- ✓ GC to buy new HDPE trans. main from Flint.
- ✓ - Needs help w/ RFP.
- ✓ WTP rated capacity is 36 MGD, is 36" ϕ enough
- ✓ Avg now about 11 MGD, County about
- ✓ Combined max. last yr. 40
- ✓ 30 ~~million~~ Million on site/lin. storage (was set up just for DWSRD)
- ~~best~~ want to set up to use otherwise -
- ✓ - want it by next wk.
- ✓ - want Prof. Services contract. - skip RFP - for interim of KWA set up
- ✓ - Only discussed w/ Bryan Brando. Need to discuss w/ Derrick Jones
- ✓ - Howard Craft is Director
- Duffy Johnson - Dep. Director
- ✓ - Brent wondering if
- ✓ - still thinking they will have agreement w/ GC for emergency supplement
- ✓ - Brent gave Flint doc to SWG. - How to deal w/ City income tax.
